WELCOME LETTER

FROM OUR DIRECTORS

In 2020, we chose to TAKE SPACE, MAKE SPACE through our programs and events. Over 160 folks participated as teachers, campers, volunteers, board members and staff members. Together, we made space to continue our mission of empowering girls, women, trans and nonbinary folks through the art of music in very tough times. We were able to pivot our programming to an entirely virtual model, which was no easy feat! We also said goodbye to Co-Executive Director Sam Stahlmann, who has been involved with She Rock She Rock since the very beginning! We wish Sam well and are so grateful for the work she did to grow and shape She Rock She Rock into the organization it is today. We also said hello to Allegra Wallingford, our new Managing Director! She started out as a junior counselor at Girls Rock N Roll Retreat in 2013 and is excited to take the next step in her career with She Rock She Rock. To practice TAKE SPACE, MAKE SPACE, we continued to make space for our BIPOC [black/indigenous/people of color] caucus during and after GRRR, gave anti-oppression training to all teachers, engaged GRRR students in anti-racism workshops and finalized our ADA access plan. We also created avenues for folks to take space in new leadership positions on our committees and board of directors. We look forward to 2021 as we aim to create UNITY IN THE COMMUNITY in all our programming and organizational efforts. Thank you to everyone who helped us TAKE SPACE, MAKE SPACE and made 2020 a memorable year. YOU ROCK!
